PINEAPPLE HILL INN
BED & BREAKFAST

Enjoy the charm of a beautifully restored colonial manor house built in 1780. Set on almost 6 acres, this Bucks County bed-and-breakfast rests between New Hope's center and Washington Crossing Park.

This wonderful five plus acre Inn was once part of an original hundred acre farm set in the heart of Bucks County. The eighteen inch thick walls and wide plank pumpkin pine floors exemplify the craftsmanship of a by-gone era. The stone foundation of the original barn is between 300 and 400 years old, is now the surround for the beautiful in-ground pool.

Pineapple Hill has 9 guest accommodations, 3 suites and 6 rooms all with their own private baths and 6 with gas fireplaces. Included each morning of your stay is a sit-down, two-course breakfast. We do our best to accommodate all special diets (please mention when you reserve) and food allergies. Our signature breakfast is a Crème brûlée toast and a broiled pineapple wedge.

In June 2026, Pineapple Hill Inn began a new chapter. Diane and Kristen - a mother-daughter team with deep roots in the region - became the inn's new owners, with Kristen stepping in as innkeeper. Their vision is simple: honor everything that has made Pineapple Hill so special for so long, and thoughtfully add to a legacy already worth celebrating.

Few places in America can claim nearly three centuries of hospitality - the Logan Inn is one of them. Established in 1727 in the heart of New Hope, Pennsylvania, this landmark boutique hotel has welcomed travelers, storytellers, and seekers of something special ever since.

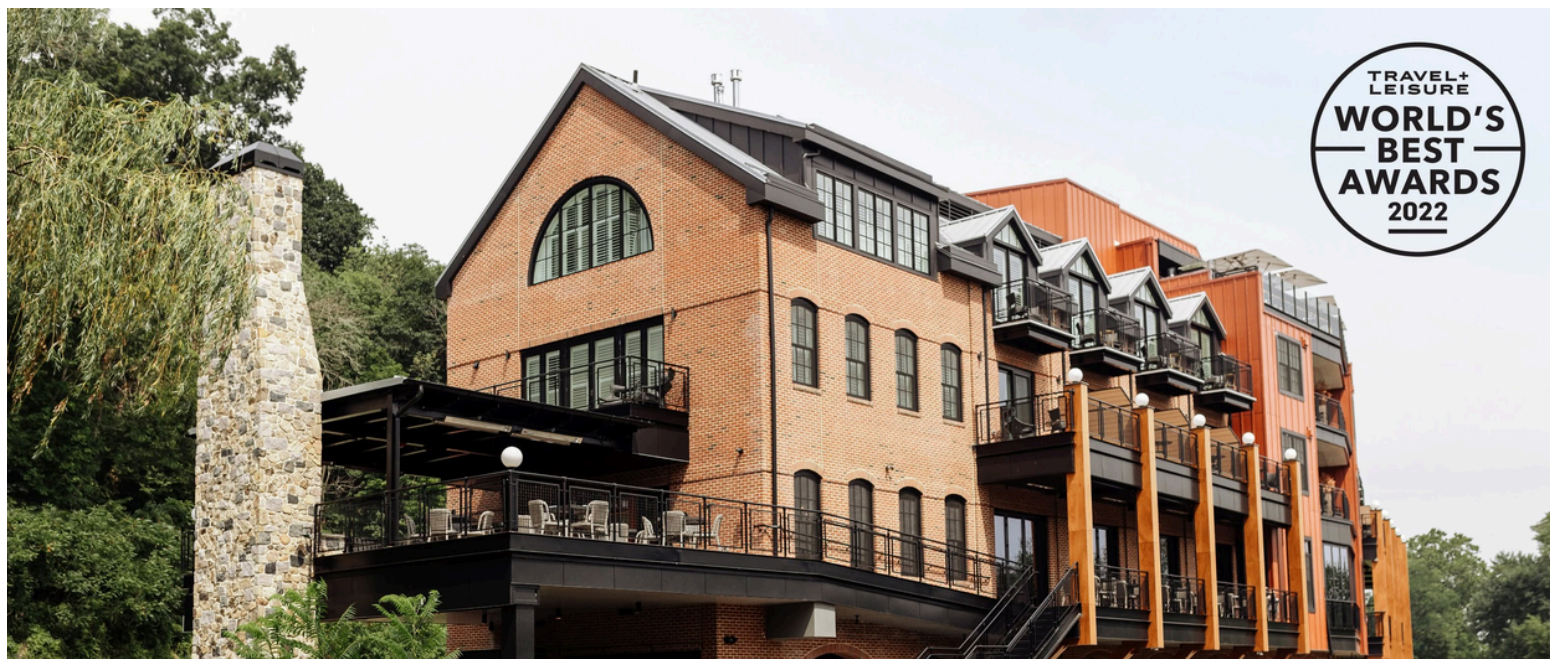

Today, it blends beautifully preserved colonial architecture with vibrant modern luxury, creating an atmosphere that feels both timeless and entirely fresh.

Choose from 38 uniquely appointed rooms - including 16 original historic spaces full of character and 22 newly added retreats - each thoughtfully designed with its own distinct aesthetic, rainfall showers, flat-screen TVs, and every comfort you'd expect from an upscale stay. When it comes to dining and drinks, the Logan delivers. Enjoy classic American cuisine for lunch or dinner, indoors or on the open terrace as New Hope buzzes around you. As evening settles in, the Whiskey Lounge beckons with its wood-burning fireplace, leather chairs, and stonewall bar — the kind of room that makes it easy to lose track of time. For something more exclusive, the Cigar Lounge offers a refined retreat for guests and patrons alike.

Practical touches round out the experience: valet parking, electric car charging stations, and daily housekeeping ensure every detail is handled from the moment you arrive.

Originally built around 1722 as the Ferry Tavern by New Hope's founder John Wells — and later renamed in honor of Chief Logan of the Lenni-Lenape tribe — the Logan Inn carries its history lightly and wears it well.

Some hotels offer a room for the night. River House at Odette's offers something altogether different. Perched on the banks of the Delaware in the heart of New Hope, Pennsylvania, this stunning riverfront retreat pairs edgy urban design with flowing fabrics, bold fixtures, and reclaimed architectural details — the result is a stay that feels as sophisticated as it does soulful.

Residentially-inspired guestrooms invite you to truly settle in, where elegant interiors give way to the gentle sounds of the river just beyond your window. Whether you're here for business or simply to exhale, River House has a way of making every visit feel like it was designed with you in mind.

The spirit of the property's storied past is very much alive here. Once the site of Odette Myrtil's legendary cabaret, her vivacious personality and unmistakable French flair infuse every corner — from the curated menu at Odette's Restaurant to the plush velvet and leather of the vaulted Piano Lounge, where evenings tend to linger pleasantly.

Ascend to ROOF, an exclusive members-only rooftop bar offering breathtaking panoramic views across New Hope and Lambertville, and you'll understand why guests rarely want to leave.

For gatherings and celebrations, the open-concept ballroom is nothing short of spectacular. Custom antiqued wall coverings embedded with musical scores and love letters from Chez Odette's past set a dreamlike tone, while floor-to-ceiling glass doors open onto a private veranda where river breezes complete the picture.

Glamour, history, and the Delaware at your doorstep.

About the Revolutionary Run (RevRun)

The Revolutionary Run — known to the community simply as the RevRun — is one of the most beloved and enduring Independence Day traditions in Bucks County, Pennsylvania. Organized by UMBA and held every year on the Fourth of July at Washington Crossing Historic Park, the RevRun celebrates its 44th anniversary in 2026, bringing together runners, walkers, families, and spectators for a morning of fitness, history, and community spirit.

Set against the backdrop of one of America's most iconic landmarks - the site of George Washington's famous crossing of the Delaware River in 1776 - the RevRun offers participants a scenic and historically rich course unlike any other July 4th road race in Pennsylvania. The event runs rain or shine and welcomes all ability levels, from competitive runners to first-time participants and casual strollers.

What makes the RevRun truly special is what happens after the finish line. Every dollar raised stays right here in the community. In 2026, proceeds from the RevRun directly benefit five local organizations: the Upper Makefield Township Emergency Services Fund, UMBA Scholarships, the Upper Makefield Volunteer Fire Company, Washington Crossing Historic Park and the Newtown Ambulance Squad.
