Dear Sponsor,

Upper Makefield Business Association (UMBA) welcomes your participation supporting its efforts hosting the 43rd Annual Revolutionary Run. The Revolutionary Run takes place on **Friday, July 4, 2025** in Washington Crossing Historic Park, Pennsylvania. The park is located near the intersections of Route 32 and Route 532. The races kick-off at 8 AM with the post race awards being presented at 10:30 AM.

We live in a community which is the envy of all who visit here. Our fine schools, our pleasant communities, our open spaces and scenic natural beauty, our businesses that support the residents and visitors and our historic sites.

Washington Crossing State park is the site of General George Washington's historic 1776 Christmas night crossing of the icy Delaware River. For almost ten hours, boats and ferries moved continuously back and forth carrying men, horses and cannon to the Jersey side. By midnight a strong storm had developed, hurling sleet, hail and snow at the rebel army. Landing at Johnson's Ferry, the Continental Army still faced an arduous nine mile march to Trenton as the storm continued with a vengeance. Reaching Trenton in the early morning of December 26th, the American Army surrounded, defeated and captured over 900 Hessian mercenaries and secured a morale boosting victory of immeasurable proportions. Historians generally agree that this surprise victory was, in fact, the "turning point of the Revolutionary War.

It is only fitting that the start and finish lines of the RevRun are located where then General George Washington and his troops “turned the tide” of the Revolutionary War.

UMBA is proud to have served this community since 1967; 2025 is our 58th year as a community charitable organization! It is our hope and desire to maintain this status of excellence through the joint efforts of our membership, the businesses within the community, and our commitment to community service along with our partnerships with the Upper Makefield Township, and the many sponsors, volunteers and contributors over the years who have allowed us to give back in many ways.

Your kind support of events such as the Revolutionary Run will allow UMBA to continue these needed causes for many years to come.

The 2025 Revolutionary Run raised funds will benefit:

- The Upper Makefield Township Emergency Fund;
- UMBA Scholarships for high school students continuing their education. Over \$150,000 has been offered to students over the years;
- UMBA Sunshine Fund helping families in need or crisis;
- Upper Makefield Volunteer Fire Department;
- Washington Crossing Historic Park;
- Newtown Ambulance Service

The Revolutionary Run is a USATF Mid-Atlantic sanctioned and officially timed and recorded race with our partner CompuScore. The race draws an audience of 1,200 to 2,000 runners, their families, friends, and spectators. There are three separate events: a 10K certified race, 5K certified race, and 1 mile “Fun Run”.

UMBA and its members spend a great deal of time preparing for the Revolutionary Run. At daybreak on the on July 4th, dozens of volunteers coordinate registration, first aid, parking, water stations, and a host of other necessary functions. As sponsors, you can be sure that all these diverse groups recognize and support the businesses and organizations who have so generously contributed to the success of the event.

2026 will be the 250th anniversary of the founding of the United States of America. Special events and tie-ins with other organizations are being planned for this special event. If you sponsor the RevRun in 2025 AND commit to helping us again in 2026, you can lock in preferential values now without any commitment of additional funds until 2026. Specifically, we will:

- Begin our promotion and marketing of your organization and social media 6 months earlier, offering a head start on recognition in the community.
- Lock in the 2026 sponsorship pricing in 2025. With your sponsorship this year and commitment to 2026, you will be guaranteed the sponsorship pricing will not change next year.
- Priority placement of your logo on the tee shirt.
- Preferential treatment and recognition on all marketing materials in support of the 2025 and 2026 RevRun. Our plans for July 4th will provide additional recognition of you as a key sponsor of the RevRun.
- No financial commitment at this time. Pay for your 2026 sponsorship in April-June of 2026.

We hope you will sponsor the RevRun in 2025 at whatever level is the most appropriate for your organization. And please consider locking this in again for 2026.

We appreciate your support to create a unique, historical and great community event. Will you help us by being a 2025 Revolutionary Run sponsor?

Sincerely,

Revolutionary Run Committee
